**Board of Pharmacy**

**Application for Registered Pharmacy Technician Training  
Programs**

**October 2013**

Dear Florida Registered Pharmacy Technician Training Program Applicant,

Thank you for applying to become a Board of Pharmacy approved registered pharmacy technician training program in the State of Florida. The information in this packet has been designed to provide the essential information required to process your application in a timely manner. Your assistance in providing all required information will enable the Florida Board of Pharmacy (the board) staff to process your application as soon as possible. You are encouraged to apply as early as possible, to avoid delays due to a large volume of applicants.

*Florida Statutes* require a completed application before your application can be reviewed. You should use the enclosed checklist to ensure that all sections of the application are complete and that the required forms are submitted. Please read these instructions carefully and fully before submitting the application. You should keep a copy of the completed application and all other materials sent to the board office for your records. When you mail the completed application, use the address noted in the instructions and on the application form. You will receive a letter acknowledging receipt of your application. The staff will notify you within 30 days if any materials are incomplete.

If you need to communicate with the board staff, you are encouraged to email the board staff at [info@floridaspharmacy.gov](mailto:info@floridaspharmacy.gov), or you may call us at (850) 245-4292. Phone calls are returned within 24 hours and emails are responded to within 48 hours during normal business hours. Our staff is committed to providing prompt and reliable information to our customers. Many procedures have been streamlined to expedite the processing of applications; we certainly welcome your comments on how our services may be improved.

Sincerely,

The Board of Pharmacy

**Please submit the following to the Florida Board of Pharmacy:  
P.O. Box 6320, Tallahassee, FL 32314-6320**

**Please note: Pursuant to the provisions set forth in Rule 64B16-26.351, FAC, the following programs are approved Registered Pharmacy Technician Training Programs and do not require application to the Board of Pharmacy:**

1. Pharmacy technician training programs accredited on or before January 1, 2011 **by the American Society of Health-System Pharmacists (ASHP)**
2. Pharmacy technician training programs at institutions accredited on or before January 1, 2011 **by the Southern Association of Colleges and Schools (SACS)**
3. Pharmacy technician training programs approved on or before January 1, 2011 **by the Florida Commission for Independent Education (CIE)**
4. Pharmacy technician training programs provided by a **branch of the federal armed services** on or before January 1, 2011
5. Pharmacy technician training programs at institutions accredited on or before January 1, 2011 by the **Council on Occupational Education (COE)**

## **Application Processing**

**Please read all application instructions before completing your application.**

Within 7-14 days of receipt of your application, the board office will notify you of the receipt of your application, any required documents, and your status. All sections must be **completed in full**. Failure to submit a complete application will result in a delay of processing. If you provide false information, the board may deny your application for registration. In order to complete your application, please return the following with your application:

### **APPLICATION CHECKLIST**

**Keep a copy of the completed application for your records.**

It is recommended that you use the following checklist to help ensure that your application is complete. Failure to submit required documentation to the Board will result in an incomplete application. Faxed applications will not be accepted.

**64B16-26.351 Standards for Approval of Registered Pharmacy Technician Training Programs.**

(1) The following programs are approved Registered Pharmacy Technician Training programs:

- (a) Pharmacy technician training programs accredited, on or before January 1, 2011 by the American Society of Health-System Pharmacists,
- (b) Pharmacy technician training programs at institutions accredited, on or before January 1, 2011 by the Southern Association of Colleges and Schools,
- (c) Pharmacy technician training programs approved on or before January 1, 2011 by the Florida Commission for Independent Education,
- (d) Pharmacy technician training programs provided by a branch of the federal armed services on or before January 1, 2011.
- (e) Pharmacy technician training programs at institutions accredited on or before January 1, 2011 by the Council on Occupational Education.

(2) All programs not listed in paragraphs (1)(a) through (e) and which are not employer based programs, must:

(a) Meet the requirements of and be licensed by the Commission for Independent Education pursuant to Chapter 1005, F.S., or the equivalent licensing authority of another state or be within the public school system of the State of Florida; and:

(b) Offer a course of study that includes classroom study and clinical instruction that includes the following:

- 1. Introduction to pharmacy and health care systems:
  - a. Confidentiality,
  - b. Patient rights and Health Insurance Portability and Accountability Act (HIPAA),
- 2. Pharmacy law:
  - a. Federal law,
  - b. Florida State law,
  - c. Florida State rules,
  - d. Pharmacy technician Florida rules and law,
- 3. Pharmaceutical – medical terminology, abbreviations, and symbols:
  - a. Medication safety and error prevention,
  - b. Prescriptions and medication orders,
- 4. Records management and inventory control:
  - a. Pharmaceutical supplies,
  - b. Medication labeling,
  - c. Medication packaging and storage,
  - d. Controlled substances,
  - e. Adjudication and billing,
- 5. Interpersonal relations, communications, and ethics:
  - a. Diversity of communications,
  - b. Empathetic communications,
  - c. Ethics governing pharmacy practice,
  - d. Patient and caregiver communication,
- 6. Pharmaceutical calculations.

(c) Apply directly to the Board of Pharmacy on approved form DH-MQA 1239 “Board of Pharmacy Application for Registered Pharmacy Technician Training Programs,” effective December 2010, <https://www.flrules.org/gateway/reference.asp?NO=Ref-00717>, which is hereby incorporated by reference. To obtain an application, contact the Board of Pharmacy at 4052 Bald Cypress Way, Bin #C04, Tallahassee, FL 32399-3254, or (850) 488-0595, or download the application from the board’s website at <http://www.doh.state.fl.us/mqa/pharmacy> and provide the following information:

- 1. Sample transcript and diploma;
  - 2. Copy of curriculum, catalog or other course descriptions; and
  - 3. Faculty credentials.
- (d) Use materials and methods that demonstrate that:
- 1. Learning experiences and teaching methods convey the content stated above.
  - 2. Time allocated for each participant shall be sufficient to meet the objectives of each activity.

3. Principles of adult education are utilized in determining teaching strategies and learning activities.

(e) Demonstrate that the faculty is qualified to teach the subject-matter by complying with the following:

1. The program shall provide evidence of academic preparation or experience in the subject matter by submitting a job description, resume or curriculum vitae which describes the faculty member's work experience and level of academic preparation.

2. When the subject matter of an offering includes pharmacy technician practice, a licensed pharmacist or registered pharmacy technician with expertise in the content area must be involved in the planning and instruction.

3. Pharmacy technician faculty supervising learning experiences in a clinical area in this State shall be licensed or registered.

(3) All other training programs must be employer based. Any pharmacy technician training program sponsored by a Florida permitted pharmacy or affiliated group of pharmacies under common ownership, must contain a minimum of 160 hours of training, that extends over a period not to exceed 6 months; is provided solely to employees of said pharmacy or affiliated group; and has been approved by the Board. An application for approval of a Registered Pharmacy Technician Training Program shall be made on Board of Pharmacy approved form DH-MQA 1239 "Board of Pharmacy Application for Registered Pharmacy Technician Training Programs," effective December 2010. The applicant must attach to the application copy of curriculum, catalog or other course description. All employer based programs must:

(a) Offer a course of study that includes a classroom study and clinical instruction that includes the following:

1. Introduction to pharmacy and health care systems:

- a. Confidentiality,
- b. Patient rights and Health Insurance Portability and Accountability Act (HIPAA).

2. Pharmacy law:

- a. Federal law,
- b. Florida State law,
- c. Florida State rules,
- d. Pharmacy technician Florida rules and law.

3. Pharmaceutical-medical terminology, abbreviations, and symbols:

- a. Medication safety and error prevention,
- b. Prescriptions and medication orders.

4. Records management and inventory control:

- a. Pharmaceutical supplies,
- b. Medication labeling,
- c. Medication packaging and storage,
- d. Controlled substances,
- e. Adjudication and billing.

5. Interpersonal relations, communications, and ethics:

- a. Diversity of communications,
- b. Empathetic communications,
- c. Ethics governing pharmacy practice,
- d. Patient and caregiver communication.

6. Pharmaceutical calculations.

(b) Use materials and methods that demonstrate that:

- 1. Learning experiences and teaching methods convey the content stated above.
- 2. Time allocated for each participant shall be sufficient to meet the objectives of each activity.
- 3. Principles of adult education are utilized in determining teaching strategies and learning activities.

(c) Demonstrate that the faculty is qualified to teach the subject matter by complying with the following:

1. The program shall provide evidence of academic preparation or experience in the subject matter by submitting a job description, resume or curriculum vitae which describes the faculty member's work experience and level of academic preparation.

2. When the subject matter of an offering includes pharmacy technician practice, a licensed pharmacist or registered pharmacy technician with expertise in the content area must be involved in the planning and instruction.

3. Pharmacy technician faculty supervising learning experiences in a clinical area in this State shall be licensed or registered.

4. When an offering includes clinical practice training in Florida, a Florida licensed pharmacist competent in the practice area shall provide supervision.

(d) Give participants an opportunity to evaluate learning experiences, instructional methods, facilities and resources used for the offering. To ensure participants will be given an opportunity to evaluate the program, the applicant must submit a sample evaluation to be reviewed by the Board.

(e) Ensure that self-directed learning experiences, including but not limited to home study, computer programs, internet or web-based courses evaluate participant knowledge at the completion of the learning experience. The evaluation must include a minimum of 100 questions. The participant must achieve a minimum score of 70% on the evaluation to receive the certificate of completion. The evaluation must be graded by the provider.

(f) Designate a person to assume responsibility for registered pharmacy technician training program. If the contact person is not a licensed pharmacist or registered pharmacy technician, provision should be made for insuring licensed pharmacist or registered pharmacy technician input in overall program planning and evaluation.

(g) Establish written policies and procedures for implementation of the registered pharmacy technician training program.

(h) Maintain a system of record-keeping which provides for storage of program information.

(i) Maintain program records for a period not less than three years during which time the records must be available for inspection by the board or department.

(j) Furnish each participant with an authenticated individual Certificate of Completion.
